## Sub: Action taken against Social Audit report

Sir,

I am herewith submitting the action taken report against the Social Audit held on 28/07/2014 at our gram panchayat sansad area namely Ashighar. The report is given below:

1. A change wage rate under MGNREGA will be furnished soon.
2. Wall writing regarding MGNREGA is present within different sansad area.
3. Citizen Information Board was given for public information but sorry to notice that the same was stolen from the site.
4. Job card No. 06/211 namely Minati Roy & 06/216 namely Monti Roy's job card & post office pass book was found within their family members only.
5. Job card No. 06/104 under name of Mina Barman & job card No. 06/06 was entered on renewal job card.
6. As the time consumed by Postal Department is too long for disbursement of wage .It's a serious problem & detail has been furnished to higher authority earlier.
7. In next financial year we will try to achieve more or generate more mandays for all sansad areas. But in this G.P. area there is no actual scope of MGNREGA work.

This is for your kind information and taking necessary action please.
