Memo No.36/ Comm. RD/O/NREGA

Dated: 20 June, 2012

To

The District Programme Coordinator, Uttar Dinajpur

Sub: Clarification in respect of project to be implemented by line departments.

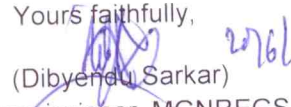

Ref: Your No.703/MGNREGS dated 12/06/2012.

Sir,

Apropos you letter under reference I would like to clarify the following points in relation to the projects to be implemented by different line departments as PIA in convergence with MGNREGS:

- 1 The schemes proposed by the line departments for implementation are to be placed in the **Gram Sansad meetings** for acceptance.
- 2 The schemes are to be included in the **shelf of projects** prepared by the Gram Panchayats concerned. Since there are chances of non-inclusion in the original shelf of projects subsequent revision may also be considered.
- 3 Ideally the scheme should be contemplated in such a way that MGNREGS provides labour whereas material cost is borne by the line department. However, as per MGNREGA guideline up to 40 per cent of the total project cost out of MGNREGS fund can also be provided to the line department for implementation such schemes.
- 4 Supervision support has to be extended by the department taking up the scheme.
- 5 Only Job Card holders can be engaged as unskilled labourers.
- 6 No contractor can be engaged in the implementation of MGNREGS.
- 7 No machine can be used in implementation of MGNREGS.
- 8 Regular online MIS entry must be ensured.
- 9 If the departmental scheme has component beyond those covered by MGNREGS fund there may be a two part scheme, the first part (Part-A) concerns MGNREGS funded scheme and the second part (Part-B) should cover the departmentally funded part of the larger scheme.
- 10 Schemes implemented by the departments are also part of the social audit process and hence data should be made available to concern authority as and when required.

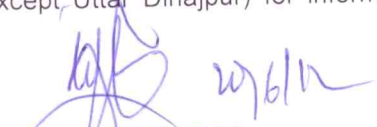

Kindly inform all the line departments in your districts to propose schemes in convergence with MGNREGS by following the above noted points.

Your^s faithfully,

(Dibyendu Sarkar)
Commissioner, MGNREGS
West Bengal

Memo No.36/ 1 (18)

Dated: 20 June, 2012

Copy forwarded to the District Programme Coordinator all (except Uttar Dinajpur) for information and guidelines.

Memo No.38/ Comm. RD/O/NREGA

Dated: 20 June, 2012

To

The District Programme Coordinator, Nadia.

Sub: Approval of scheme "renovation of tank and pisciculture" under MGNREGS.

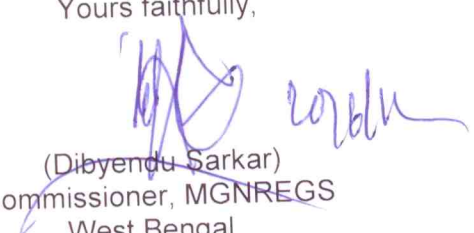

Ref: Your No.455/MGNREGA dated 22/05/2012.

Sir,

It is brought to your notice that the modified scheme guideline by the MORD on MGNREGS has included the scope for pisciculture in public tanks excavated/re-excavated with MGNREGS funding. However, in the present scheme of things, there is no scope of supporting pisciculture activity in privately own tanks.

Under the circumstances, the proposals contained in your letter under reference cannot be accepted. You are advised to kindly impress upon the authority of the Department of Fisheries to arrange follow up pisciculture activity in private ponds excavated/re-excavated with MGNREGS fund from out of their own departmental budgetary allocation.

Yours faithfully,

(Dibyendu Sarkar)
Commissioner, MGNREGS
West Bengal

Memo No.38/ Comm. RD/O/NREGA

Dated: 20 June, 2012

Copy forwarded for information and necessary action to the District Programme Coordinator (all except Nadia).
