# MAHATMA GANDHI NATIONAL RURAL EMPLOYMENT GUARANTEE SCHEME, 2006

## ANNUAL PERFORMANCE REPORT

**FOR THE YEAR 2011-12** 

#### PREFACE

The Mahatma Gandhi National Rural Employment Guarantee Act is an unparalleled initiative by the Government in transforming and re-energizing the rural India by way of providing livelihood security to millions of rural poor. 100 days of guaranteed employment per household per year at the fixed minimum wages would not only reduce the widespread unemployment in rural areas, but also strikes a blow the inert wage arrangement for the rural unskilled workers.

The rights based MGNREGS emphasizes on community participation in planning, implementation, monitoring and evaluation (Social Audit) of the scheme. It also aims at enabling the local governments to move towards good governance through the provisions for transparency and accountability.

Annual Report 2011-12 is intended as a summary of our activities through the year in order to implement the MGNREGA, 2005 in the district of Jalpaiguri.

We are sure that the report will be helpful in evolving an action agenda for all the stakeholders responsible for the success of the scheme.

We thank all our stakeholders and, most of all, the people we serve.

#### **JALPAIGURI**

Jalpaiguri district (Bengali: জলপাইগুড়ি জেলা) is the largest district of North Bengal, covering an area 6,245 km2. It is situated between 26° 16' and 27° 0' North latitudes and 88° 4' and 89° 53' East longitudes. The district was established in 1869. The headquarters of the

district are at Jalpaiguri town, which is also the divisional headquarter of north Bengal and has its special importance in respect of tourism, forest, hills, tea gardens, scenic beauty and a wide variety of tribes like the Totos, etc.

The name Jalpaiguri came from the Bengali word jalpai meaning "olive" because of the olives which grew in the town and were seen even in 1900. The suffix guri means a place. The name can also be associated with Jalpesh, the presiding deity (Shiva) of the entire region.

Presently Jalpaiguri is the part of West Bengal which is situated in North Bengal. The district situated in the northern part of West Bengal has international borders with Bhutan and Bangladesh in the north and south respectively and district borders with Assam and the Darjeeling hills in the east, west and northwest.

#### Climate

ClimateThe average annual rainfall is 3160 mm and the average temperature ranges from 30.9 to 10.8 degrees throughout the year. The average relative humidity is about 82%.

#### **Tropography**

The entire topography is crisscrossed with rivulets, rivers and hills. Jalpaiguri - this narrow stretch of land lying between the Sikkim - Darjeeling Himalayas and Gangetic West Bengal has more than often evoked a sense of both eerie and romanticism in many a heart since the early British Rule. Veined by mighty rivers like the Teesta, Torsa, Jaldhaka, Raidak, Dyna, Neora, Sankosh etc. this piece of land has been aptly named as the land of 'Tea, Timber and Tourism'. A major stretch of area is bordered in the north by Bhutan and hence the name - Dooars/Duars which mean - Door of Bhutan.

The Mahatma Gandhi National Rural Employment Guarantee Act, 2005 (MGNREGA) was notified on September 7, 2005. It came into force from 2<sup>nd</sup> February 2006 to give effect to the provisions of the Act in Jalpaiguri District along with nine other districts of West Bengal.

The mandate of the Act in brief are:-

- 1. To provide up to one hundred days of guaranteed employment in a financial year, on demand, to every household in the rural areas, registered under the Act.
- 2. To augment livelihood resource base of the rural poor through creation of durable assets for employment generation in a sustainable manner.

Besides it also aims for ensuing:

- i. social protection for the most vulnerable people living in rural India
- ii. livelihood security for the poor through creation of durable assets, improved water security, soil conservation and higher land productivity

- iii. drought-proofing and flood management in rural India
- iv. empowerment of the socially disadvantaged, especially women, scheduled castes and schedules tribes, through the processes of a rights-based legislation
- v. strengthening decentralization, participatory planning through convergence of various anti-poverty and livelihoods initiatives
- vi. deepening democracy at the grassroots by strengthening Panchayati Raj Institutions

vii. effecting greater transparency and accountability in governance

Progress of various aspects of implementation of the MGNREGA in the district during the year 2011-12 has been narrated in this report in detail.

However, later he learned from my neighbours that they are earning a handsome amount per week as wages. Then he decided to register his name for the Job Card.
