

NOTE ON SPECIAL CAMPAIGN UNDER Mahatma Gandhi NREGA

“চলো কাজ করি”

The aim of the campaign is to get the demand of the works in advance, plan quality works and implement upon them."

“All those who wish to work under the scheme from November to March can enroll their demand for work with the Gram Panchayat and Block offices during November. The works will be planned taking stock of the demand”

During winter and early summer, when most of the agricultural & tea garden activities are over, the rural population & the garden workers faces problem of employment, especially due to lack of irrigation facilities & being lean period in the tea gardens. As such, there are chances of people migrating to adjacent cities or urban areas in search of employment. The major purpose of launching the campaign is to arrest the migration of population and use the manpower for constructive works in the villages & the tea gardens.

The following activities may be taken up during the campaign:

1. Rally of all possible stake-holders with posters, handbills etc. of different issues under Mahatma Gandhi NREGA.
2. Audio Cassettes may be prepared on different issues viz. AAPNI JANEN KI?, Works on individual lands etc.
3. The rally may be followed by a “Sabha” wherein all the job seekers will be informed on their legal entitlements under the Act.
4. The job seekers will be encouraged to fill up the Form 4A and submit demand for work from December to March.
5. Provisions for accepting the demand and issue of dated receipts needs to be ensured during every such “Sabha”.

Primary objectives of the campaign:

1. Spreading awareness about the Mahatma Gandhi NREGA
2. Motivating workers to apply for work
